Attn: S. R. Grace

TRANSMITTAL OF FINAL IM/IRA FRENCH DRAIN PERFORMANCE MONITORING PLAN -
JEE-0408-92

Enclosed please find two copies of the Final French Drain Performance Monitoring Plan. This document, originally transmitted to DOE, the Environmental Protection Agency (EPA) and the Colorado Department of Health (CDH) in April 1992, has been revised to incorporate all comments and corrections from the regulatory agencies cited. EG&G's intent is to implement this plan as quickly as possible. Our procurement process is underway to mobilize the contractor who will be doing the well installations. EG&G will keep you informed of the status of the plan implementation.

Upon receipt of DOE's transmittal letter, we are prepared to transmit two copies of this document to EPA and to CDH. If you have any questions, please contact C. B. Gee of the Remediation Programs Division at extension 8550.
